

FONDAZIONE CENTESIMUS ANNUS PRO PONTIFICE

On October 7-8, the Fondazione Centesimus Annus Pro Pontifice will be holding its **International Conference in the Vatican City**.

The theme is ***Inclusive Growth to Eradicate Poverty and Promote Sustainable Development and Peace***.

The program will feature a wide variety of experts who will address the various forms of poverty, the role of business and finance in reducing poverty, and the role of governments and institutions in preventing poverty. There will also be an audience with Pope Francis on Saturday, Oct 8.

More details including information on registration will soon be available at the Fondazione's website:
